

# STARIA

# Step into the Space.

Prepare to embark on a new journey into the revolutionary space of STARIA, where you will travel in maximum comfort and spend life-enriching moments. In this space, the possibilities are as unlimited as the different lifestyles of its owners. It's one small step for STARIA and one giant leap into the future of MPV mobility.

## Launch into a new dimension.

For a clean break with the past, STARIA designers adopted the one curve gesture to advance MPV design in an entirely new direction. Radiating simplicity and high-tech elegance, the futuristic silhouette provides clues to STARIA's cutting-edge technologies that make driving safer, more comfortable, and more convenient than ever before. STARIA Premium does more than establish a new design aesthetic: it redefines the luxury MPV segment to stand in a class of its own

# 7 Seater

Upgrade to executive class with the luxuriously appointed 7-seater, and time will just fly by. The Premium relaxation seats are designed to relieve the pressure points of a conventional seat, so you will feel as if you're seated in your favorite recliner in your living room.

# Premium relaxation.

## Premium relaxation seat (one-touch relaxation mode)

At the touch of a button, the Premium relaxation seat features redistributes your bodyweight to make you feel like you're floating in the air and it cares for you in all weather conditions with its 3-stage heating and ventilation functions. The 2-way backrest, 2-way seat cushion and 4-way legrest are individually adjustable to suit personal preferences.

Heated and Ventilated Seats

# Convenience at its best.

## Smart Power Sliding Door

Upon sensing the presence of the proximity key, the smart door automatically slides itself open after a pre-set interval—a very convenient feature when your hands are full.

## BOSE Premium Sound System

Bose speakers create a truly immersive sound experience and include dynamic speed compensation to automatically calibrate speaker volume according to your driving speed.

## Smart power tailgate (with auto-close function)

With the smart key and new proximity sensor, tailgate operation is truly smart and hands-free: it opens and closes automatically without requiring any driver input whatsoever.

## Long sliding seats\* (11-seater only)

Increasing the range of the to-and-fro motion of the rear seat makes it easy to create extra luggage space and helps passengers get in and out more easily.

# Powerful and Safe.

Whether it's the 8-speed automatic or 6-speed manual gearbox, STARIA's new and more efficient powertrains unleash powerful performance and a rush of endorphins. When the roads are slippery due to poor weather conditions, HTRAC all-wheel drive delivers maximum traction to all four wheels so you can keep moving ahead safely. Standard safety equipment includes 3-point seatbelts, headrests, and the latest airbag technologies to keep everyone aboard well-protected.

# STARIA (Wagon)

The iconic good looks of the STARIA (Wagon) are just half the story. Just step inside to discover the rest: every cabin detail has been reimagined to make driving life easier, safer, and more fun. Innovating inside and out: that's the sign of authentic design leadership.

# In a class of its own.

From the moment you first lay eyes on STARIA, you know it stands in a class of its own. It's not imitative or derivative but a truly original creation—the product of inspired design. Inside, you're greeted by a spacious, wide-open cabin that flourishes with premium touches like the digital gauge cluster and elegant materials that feel so soft to the touch and are always easy on the eyes.

# 11 Seater

The STARIA 11-seater offers limitless possibilities and is perfect for both short and long excursions. There's ample legroom, shoulder room, and headroom, plus multiple USB charging ports on board to keep everyone happy during the trip.

**Full flat seats**  
Folding the backrests of the 2nd-, 3rd-, and 4th-rows into the flat position increases the load space to 2,468mm so you can carry oversized items, extra luggage, or enjoy overnight camping if you like.

# Everyday is liberation day.

STARIA's smart features are truly liberating—they give you the freedom to focus on more important things. There's an abundance of storage space, and nice-to-have convenience features like the AVNT that serves as a surround-view monitor while parking or as a rearview monitor to let you keep an eye on traffic behind you.

## Surround View Monitor

Surround View Monitor displays video of the situation around the vehicle for safe parking.

## Long sliding seats\*

Increasing the range of the to-and-fro motion of the rear seat makes it easy to create extra luggage space and helps passengers get in and out more easily.

\* Premium 9-seater, 11-seater (wagon) only

# STARIA (Van)

Spacious and smart, the STARIA (Van) provides everything you need to get the job done efficiently, safely, and in style. You get loads of room for your cargo and a well-appointed cabin that provides an oasis of comfort and relaxation for you and your crew.

# 3

## Seater

Offering 4,935ℓ of luggage space\*, the 3-seater combines maximum cargo-hauling capacity with uncompromising levels of comfort and convenience.

# The space to grow your business.

Impressively spacious and equipped with flexible design features like twin swing doors that speed up loading and unloading, the STARIA (Van) is the ideal partner for tradesmen and pro drivers who demand maximum efficiency. With its 2.5m-long cargo bed, the 3-seater van always seems to be hungry for more cargo.

# Smart intelligent safety.

## Forward Collision-Avoidance Assist (FCA)

If there's a danger of a collision with a car, pedestrian, or cyclist, FCA provides an early warning and, if necessary, it automatically brakes for you. It also detects oncoming vehicles at intersections to promote safer left turns.

## Surround View Monitor

Surround View Monitor displays video of the situation around the vehicle for safe parking.

## Lane Keeping Assist (LKA)

A front view camera detects lane markers and road edges helping prevent unintentional lane departures. When the vehicle strays from its lane (or road), the system sets off a visual and sound alarm and automatically steer the vehicle to prevent it from moving out of its lane (or road).

## Lane Following Assist (LFA)

A front camera tracks the lane markers and helps keep the vehicle safely centered within the lane.

## Blind-spot View Monitor (BVM)

For views limited to the driver, the Blind-spot View Monitor provides additional view for a safer drive.
